Polyelectrolytes and colloids

Rudi Podgornik and Matej Kanduč, Fakulteta za Matematiko in Fiziko & J. Stefan Institute (FMF/JSI), Ljubljana
Silvia Tomić, IF, Zagreb
Sanja Dolanski, School of Medicine, Zagreb
*Primož Zihlerl, FMF/JSI, Ljubljana
*Jure Dobnikar, FMF/JSI, Ljubljana
*Françoise Livolant, LPS, Université Paris XI
*Aleš Omerzu, Department for Complex Matter, JSI, Ljubljana

Vesicles and membranes

*Saša Svetina, Primož Peterlin, Jure Derganc, Mojca Mally Institute of Biophysics, School of Medicine, Ljubljana
*Ana Hočevar, J. Stefan Institute, Ljubljana
*Georg Pabst, Technische Universität Graz
*Janez Štrancar, J. Stefan Institute, Ljubljana

Self-assembly in 2D & 3D

*Loredana Casalis, NanoLab, Elettra, Trieste
Antonio Šiber and Antonio Majdandžić, IF, Zagreb
Tomislav Vuletić, IF, Zagreb
Vesna Svetličić and Tea Mišić, R. Bošković Institute (IRB), Zagreb

Advanced techniques

Ticijana Ban and Damir Aumiler, IF, Zagreb
*Igor Weber, IRB, Zagreb
Selma Supek and Ana Sušac, Physics Dept., Faculty of Science, Zagreb
Marko Kralj, IF, Zagreb
*Mojca Vilfan, Department for Complex Matter, JSI, Ljubljana
*Dušan Babič and *Igor Poberaj, FMF/JSI, Ljubljana
